Press Release

Coach Steiner wins the Kansas Open and becomes the 2012 state champion.

Coach Steiner likes to always inform students that you can always tell who your captain of the team is by looking at their results. You must lead by example. This is Steiner's 2nd state title, the last one earned in the year 2000. It's very difficult to be a player and a coach because you cannot serve two masters. It's great to know that the coach hasn't lost his touch.
