Academy**

Press Release

At Midwest Chess Academy we take our results very seriously. It is my pleasure to announce our most recent Peak Performers.

In late November 2015, Jack Easton became an official NM. NM stands for National Master. You get this title when your rating exceeds 2200 ELO. The places Jack in the 99th% of all rated players in the US. It is quite an achievement.

14510393: JACK RICHARD EASTON				
General	More	Rtg. Supp.	Tnmt. Dir.	Tnmt. Hst
Events for this player since late 1991: 75				
Events are generally shown in rating sequence order.				
Recently rated events that have not yet been rerated into chronological order are indicated with a double asterisk (**). The post-event ratings from those events (and subsequent events) may change when they are rerated. (Events rated prior to 2004 are shown in the order in which they were originally rated.)				
Events that are submitted late or out of chronological order will appear to have been rated out of ending-date order until the next time we re-rate all recent events to place them into chronological order. We normally do rerates on Tuesdays, though they may not complete until Wednesday.				
Results within crosstables are NOT in tiebreak order and and players may not be listed in the same order as the prize lists from an event.				
Show Events: 1-50 51-75

Tournament directors should use the appropriate published rating unless otherwise announced in all pre-tournament publicity. For events that begin prior to February 1st, the January supplement should be used.

The ratings shown on this page are official published ratings, which US Chess issues 12 times a year. As of September 1, 2013, Official ratings lists are generated on the 3rd Wednesday of each month and become official on the 1st day of the next month. For unofficial rating information from recently rated events, see the 'Tnmt Hst' tab.

	Current Published Rating (January Supplement)
Regular Rating	2194 2016-01 (Current floor is 2000)
Quick Rating	1863 2016-01
Blitz Rating	1883 2016-01

Current Ranking	Rank as of 2016-01-01	Percentile
Overall Ranking	1074(T) out of 62297	98.3
Junior Ranking	233(T) out of 48710	99.6
State Ranking (KS)	4 out of 330	98.8

Note: Only current or recent members who have played within the past year are ranked. See [Frequent Questions](#).

National Master Certificate **Earned in 2015**

Highest US Chess Norms-Based Title Earned (in events since 1991) [Candidate Master](#)

Jack is the first student from our company to become a National Master. Congratulations Jack!

Next we have an accomplishment by Veronika Vancsa. She travelled to Louisville, Kentucky in late November and won 1st place in the Girls 3-5th grade section at the Susan Polgar World Open.

Next, I'd like you to know about all the students that are currently nationally ranked. What this means is the national federation ranks the top players according to age across the country. It is very prestigious to land on these lists. They list the top 100 players every month.

Age 14, Jack Easton, #16

Girls Age 10, Veronika Vancsa, #7

And two new additions representing Midwest Chess Academy:

Top Girls Blitz Under 13, Skyler Vince, #42

Age 7 & Under, Eddison Chen, #73

This is the youngest age that anyone from KS has ever made one of these lists. In fact, by next month Eddison should be ranked in the low 30's.
